El Paso International Airport (ELP) announces the return of the Photography Enthusiasts of El Paso exhibit, following its success and demand from its debut last year.

This new exhibit features an impressive collection from a local photography club. The exhibition showcases 37 works from 20 talented photographers. This curated collection will be displayed in the Rental Car Center lobby until January 31, 2025.

“We are proud to support local artists by providing a prominent platform where they can share their work with the nearly 3.6 million passengers who pass through our airport each year,” said Tony Nevarez, Interim Director of Aviation. “We are excited to showcase this stunning photography exhibit once again.”
